# Castle Rock Senior Activity Center

with Funding Provided by the Lillis Foundation

## 2017/18 SCHOLARSHIP APPLICATION

This program, open to seniors who are or would like to be members of the Castle Rock Senior Activity Center, is designed to assist individuals by providing funding to participate in activities. Consider applying if your financial situation is such that you aren't able to do ALL that you'd like, or if the cost has kept you from our higher end "Bucket List" or overnight trips. This year we will award individualized funding based on the desires and needs of the recipients. These funds can be used for Activity Fees for Senior Center programs, trips, and events, or to pay for membership fees or reflexology / chair massage wellness services. The funds are designated in your name as a credit and cannot be used by or transferred to another individual, nor can they be used to pay for meals or other costs while on trips (unless paid up front in the Activity Fee), or VOA / MOW meal donations. Names of Scholarship Program recipients are kept confidential to the extent possible, and there will be no difference in the way the funds are used and tallied than with any other refunds / credits at the Center.
